

HEALTH STUDIES AT THE CASTLE

Winter 2022 January 10 - April 13

Application Deadline: Nov. 15, 2021

Immerse yourself in the study of one of the 21st century's critical challenges and gain international perspective in the **Bader International Study Centre's** Health Studies Cluster. Develop an understanding of the patterns shaping global health's overarching issues such as climate change, disease, conflict, security, and natural disaster, all in a personalized, interactive learning environment.

- Earn 9.0 units of HLTH abroad at Queen's Castle campus in East Sussex, UK, plus two electives!
- The BISC's graduate-style learning environment and small class sizes foster personal relationships between you and your instructors
- Expand your knowledge with experiential learning both on campus and beyond

COURSES

- HLTH 305/3.0 Foundations of Health Policy
 - HLTH 350/3.0 Topics in Global Health
 - HLTH 351/3.0 Health in Humanitarian Crises
- + Two elective courses

All three courses can be used to satisfy requirements in HLTH Major, Medical and Minor plans.

GLOBAL PERSPECTIVE & EXPERIENTIAL LEARNING

You and your classmates can deeply immerse yourselves in your studies through experiential learning. These experiences could include visits to the Imperial War Museum to discover, explore, and examine war consequences and health outcomes, or virtually visit the Centre for the Rehabilitation of the Paralyzed in Dhaka, Bangladesh, to study humanitarian aid for the world's most vulnerable. Plus, you can expect frequent panel discussions with international guest scholars!
