TEACHING POSITION AVAILABLE – 2020/2021
BIOL 111/3.0 - Ecology and the Environment
Department of Biology
Queen’s University, Kingston, ON CAN K7L 3N6

The Department of Biology at Queen’s University invites applications from suitably qualified candidates interested in co-teaching a course in Ecology and the Environment (50% of BIOL 111/3.0). This course will be offered remotely, with an expected enrolment of ~150 students. The successful candidate will be responsible for half of the lectures of synchronous classes and conduct asynchronous evaluations over virtual platforms, following the coordination of the syllabus established by the Primary Instructor. Candidates should have a Ph.D., and teaching experience at the University level in Biology. This is a winter term appointment for the period January 1, 2021 to April 30, 2021, with classes in session from January 11, 2021 to April 9, 2021.

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during this process, please contact: Biology Department, Dr. Brian Cumming, Head, cummingb@queensu.ca.

The academic staff at Queen's University are governed by the Collective Agreement between the Queen's University Faculty Association (QUFA) and the University, which is posted at http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: “I am a Canadian citizen / permanent resident of Canada”; OR, “I am not a Canadian citizen / permanent resident of Canada”. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, letters of reference from two (2) referees, and any other relevant materials the candidate wishes to submit for consideration such as a letter of intent, teaching dossier, etc. Please arrange to have applications and supporting letters emailed directly to:

Dr. Brian Cumming, Head
Department of Biology
cummingb@queensu.ca

Applications will be received until (November 17, 2020). Review of applications will commence shortly thereafter, and the final appointment is subject to budgetary approval. Additional information about the Department of Biology can be found at http://biology.queensu.ca
