Apply to SWEP Position #132084

Description of the Role. This SWEP student will act as local community engagement coordinator for the Great Lakes Plastic Cleanup (https://www.greatlakesplasticcleanup.org/), helping contribute to data collection for the initiative and to increase awareness in the local community to the issue of plastic pollution. This student will also assist with science communication and community outreach on water-related issues for the Beaty Water Research Center.

What is SWEP? Since 1995, the Summer Work Experience Program (SWEP) has provided Queen’s undergraduate students with an engaging, challenging and rewarding summer work experience. Funded through the undergraduate portion of the Student Assistance Levy, the program encourages creation of on-campus summer jobs that provide valuable experiences for Queen’s undergraduate students. https://careers.queensu.ca/students/services-students/employment-programs/swep
