

About Us!

The Biotechnology DSC represents and supports undergraduate students in the Biotechnology program at Queen's University. We aim to build community within the program, create opportunities for networking and skill development, and ensure that student voices are heard within the department.

Our Goals

- Build an inclusive and welcoming Biotech community
- Raise awareness of the Biotechnology program at Queen's and beyond
- Offer academic, professional, and social opportunities for student growth
- Champion diversity and representation in STEM
- Host events connecting students, faculty, and industry

Introducing BTEC DSC!

Get Involved!

Want to be part of our growing Biotech community? There are many ways to get involved! You can attend our events, follow us on social media for updates, volunteer at activities, or apply for a council position in the future. Whether you're looking to build leadership skills, make new friends, or explore career opportunities, the BTEC DSC has something for you!

Stay Updated!

Follow our Instagram @qubiotech to stay in the loop for our latest events and opportunities.
